WHERE ARE OUR RECOVERY HOUSES?

We have three Recovery Houses: Burton upon Trent, Cannock and Stoke on Trent. All of our houses have been refurbished to provide comfortable, affordable accommodation and access to our aftercare service, volunteering, paid work, training and leisure activities and events.

Our houses in Burton and Cannock work closely with our two social enterprises, Langan's Tea Rooms, which provide fantastic opportunities for skills development, C.V. material and confidence building. In Stoke, access to the Stoke Recovery Service provides a range of different leisure activities and experiences. All three houses work closely with our Recovery Academy to provide access to a range of different services, training and leisure activities.
